Date: 12.11.2026

Dear RPPS families,

I am very pleased to be sharing positive news regarding upcoming works at Roath Park Primary School.

This week we worked with colleagues at Cardiff Council to clear space in our former Caretaker's House. This is being transformed into a welfare facility for site contractors over the coming weeks and months. By making use of this space, we hope to minimise disruption to educational provision within the school.

On Monday 16th November a team of scaffolding contractors will be on site to make adaptations to the existing scaffolding structure.

Once this is complete, a team of specialist contractors from Taliesin Conservation will begin work to repair or replace masonry, brickwork, roof items and windows on the front elevation of both buildings at Roath Park Primary School.

We are moving in the right direction and appreciate the efforts of everyone linked to this project.

Many thanks for your continued support,

L Fitzgerald

Headteacher
