Dear RPPS Families,

And just like that – the Autumn Term is over! This is just a short newsletter to share our gratitude and appreciation for your support so far this year. I also wanted to share some information regarding who to contact in the event of emergencies where school involvement is required, where to seek support over the Christmas period and arrangements for the start of next term.

A message of appreciation

As a school we are extremely happy with the fact we've been able to return to a 'normal' way of life where we can bring our community back onto site. For example, by running family engagement groups or showcasing our learning to you as an audience. Of course, none of this would be possible without your support so thank you for attending our events and sharing experiences with us. It is greatly appreciated.

It's been a very busy term at Roath Park and I'm sure you'll agree that our staff have worked tirelessly to ensure that authentic and worthwhile experiences like trips, visits and learning opportunities have been of the highest quality. Tomorrow afternoon I will be asking all school staff to switch off their laptops and enjoy the Christmas break with their families. Many thanks to them all for ensuring that Roath Park is a fun, happy and safe place for children to learn everyday.

Emergencies where school involvement is essential

If you experience a family emergency which requires urgent support from school please only contact myself. My email address is LFitzgerald@roathparkprm.co.uk

I hope that you do not have to contact me but I also would not want a family to struggle on their own without any advice. In the case of a fire, medical or Police emergency please proceed to call 999.

External support during the Christmas break

I have attached a link underneath to a range of different local and national organisations who can offer support in many situations e.g. access to food banks, financial help or housing enquiries. Many thanks to Mrs. Ivens and Areatha Comanescu for providing these contact details.

Arrangements for Spring Term

Your children return to school on Monday 9th January. The school will be open as normal on this day. I will be in contact at the start on January to share other upcoming dates - these can all be found on the [Family Planner](#)

May I wish you and your family a Merry Christmas, and a very happy and healthy New Year.

Mr. L Fitzgerald
