

Why

are

adults

wearing

gloves

and

masks.

In school

I

might

see

some

adults

wearing

masks

and

gloves.

Masks

and

gloves

can

help

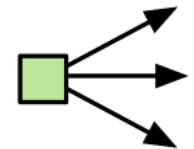

stop

the

Corona virus

from

spreading.

Adults

are wearing these to

keep

us

safe.

Adults

wearing

masks

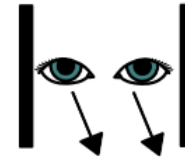

and

gloves

may

look

scary

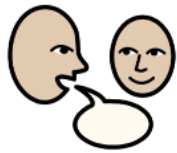

or

funny.

I can

talk to

an

adult

at

school

or at

home

if

I

feel worried

or

scared

about

adults

wearing

masks

or

gloves.
