**Ref:** HT/Nov2 – Building Update

**Date:** 15.11.2024

Dear RPPS Families,

In October I wrote to you about our school building and premises. We have been working with the School Organisation Access and Planning, Health and Safety and Building Services teams to establish a programme of works.

I have received an update from Melanie Godfrey, Education and Lifelong Learning Directorate at Cardiff Council. The following works will be prioritised at Roath Park;

- **Clearing the buddleia and clearing the gutters. Building Services has been looking at this which will start on site in 2 weeks.**
- **Re-pointing may require listed building consent, but we think this is fine.**
- **Building Services will liaise with the school about the programme.**

This represents a step in the right direction. I'd like to say a huge thanks to the children, staff, parents, Governors and ward councillors who have made invaluable contributions to this point.

Many thanks for your continued support,

Mr. L Fitzgerald
