We encourage 'active travel' to school (cycling, scooting, walking). Safe and legal parking is at a premium closer to the school site. We encourage families to park further away and walk to school. This keeps pedestrians safe and helps your child to understand the benefit active travel bring to our environment and physical health.

Afternoon – Collection locations

Collection points marked below. Please ask a member of the team if you are unsure.

We hope this is helpful in this first week of the new school year.

Many thanks for your continued support,

Mr. Fitzgerald
