**Ref:** HT/Oct1 – Building Update

**Date:** 08.10.2025

Dear RPPS families,

Earlier this week we received positive news regarding the status of works to repair our school building.

Colleagues at Cardiff Council have confirmed that the project has entered the design and specification stage. This involves working with Cadw (Welsh Government's historic environment service) as the building is Grade II listed.

I recently met with architects and project managers at Cardiff Council. We are exploring different schemes and ways to complete essential works in manageable way. We know that the masonry and stonework at the front of the building will be given priority.

At this moment we do not have a firm date for contractors to be on site and building work to begin. We are hoping to share this information with you very soon.

Many thanks for your continued support,

Mr. L Fitzgerald
